REPORT

Subject (in full) Interview with Mr. Frederick W. Thomas regarding communist
propaganda disseminated among British Troops in Shanghai.

Made by D.S. Pitts.Forwarded by D.S. Pitts 0.1

In compliance with the instructions of the Officer i/c
Special Branch as contained in the attached memo dated May
8, 1933, I have to report that Mr. Frederick W. Thomas,
General Secretary of the British Forces Young Men's Christian
Association, Shanghai has been interviewed by the undersigned,
with a view to his being on the look out ^{for} communist propaganda
disseminated among the British troops stationed here.

Mr. Thomas stated that whilst he was aware that some
few pamphlets of a red nature had been thrown into the Camp
at Jessfield Park, nothing had come to his notice which would
lead him to believe that any of the men were engaged in rad-
ical activities, but now that the matter had been brought to
his notice he would keep his eyes and ears open for anything
that would be of interest to the Municipal Police. Should
any details of these activities come to his knowledge he will
not fail to let us know.
